The rates above are for “wait and return” rides originating in northern New Jersey. These rates are based on the time of a regular 9 inning game (estimated time is 7 hours including travel time). If the game goes extra innings or if you would like to go out to dinner or any other venue after completion of the game, each additional hour will be billed at our standard hourly rate plus gratuity based upon vehicle type. Yankee games cost less because the toll charges are less to go to Yankee stadium as opposed to Citi Field.

ALL vans and buses are to park at the stadium. Parking passes and charges are the responsibility of the passengers.
